# Class of 2014 Graduation Requirements

What do I have to do?

Pass your school's  
required courses  
and meet any other  
school  
requirements.

Successfully  
complete your  
Senior Project,  
Exhibition, or  
Portfolio.

Meet the NECAP  
Requirements.

Get 2s on reading  
and math or improve  
your score.

When do I have to do it?

Pass your courses  
during your four  
years of high school.

Your junior or  
senior year.

Fall of your junior  
year or any NECAP  
retake in your  
senior year.

What can I do to be ready?

- Visit any teacher, your advisor, or your guidance counselor.
- Follow the improvement plan that is designed for your success.
- Participate in free on-line math help and free on-line tutoring.
  - Get extra help to learn the skills that you need.
- Ask about tests other than the NECAP that can prove that you are ready to graduate.
